

FIT LIFE

Train Smart, Stay Healthy

Get Started

Project # 1

Design by: Kinza Waheed

User Persona

SARAH KHAN

Age: 25

Occupation: Office Employee

Location: Lahore, Pakistan

Status: Single

GOALS

- Stay fit and healthy
- Exercise regularly
- Manage weight
- Maintain energy at work

FRUSTRATION

- No time to go to the gym
- Feels tired and drained after work
- Hard to stay motivated
- Inconsistent workout routine

NEEDS

- Quick and effective workouts
- Daily reminders and motivation
- Easy-to-use fitness app
- track progress in a simple way

EMPATHY MAP

THINKS

- I do not have enough time to work out.
- I should stay fit but it's so hard to start
- I wish there was quick and easy workout

FEELS

- Stressed and overwhelmed
- Tired most of the time
- Guilty for skipping workouts
- Wants to feel healthy and confident

DOES

- Works on laptop all day
- Sits for long hours
- Sleeps late
- Sometimes follows fitness videos at home

SEES

- fitness ads on social media
- Healthy lifestyle influencers
- Gym promotions
- Before & after transformation posts

Application Service

PROBLEM STATEMENT

Busy office professionals want an easy way to stay fit because they do not have enough time to go to the gym regularly

PROPOSED SOLUTION

A fitness mobile app that provides:

- Quick 10-15 minute workouts
- Daily reminders and motivation
- 1. Easy progress tracking
- Beginner-friendly exercises
- Personalized recommendations
